

# **CURRICULUM VITAE**

**Dr. OMAR A. ABABNEH, MD**

**Department of Anesthesia and intensive care  
Faculty of Medicine  
University of Jordan**

**(Last updated: March – 2021)**

## **Personal Details:**

Name: Omar Ahmad Amin Ababneh.  
Date of birth: 26 /1/1974.  
Place of Birth: As-sayla-Irbid – Jordan  
Gender: male  
Nationality: Jordanian.  
Marital status: married, 4 children.  
Languages: Arabic, English and German  
ORCID ID: <https://orcid.org/0000-0001-5447-4648>

**Address:** Omar A. Ababneh MD  
Jordan University Hospital  
Anesthesia and ICU Department  
Amman 1103, JORDAN  
Contact phone numbers: work: ++962 6 5353666 ext.: 2389  
Home: ++962 6 523 281 2  
Mobile: ++962 796 118 072  
E-mail: [omar.ababneh@ju.edu.jo](mailto:omar.ababneh@ju.edu.jo), [ababnehomar@gmail.com](mailto:ababnehomar@gmail.com)

## **Qualifications**

High School certificate: 1992 (ministry of education) Irbid – Jordan  
Bachelor degree in medicine and Surgery (MBBS): Tishreen University in Lattakia-Syria, good degree (07/2000)  
Jordanian national board in Anesthesia & intensive care (Sep.2006)  
High Specialization in Anesthesia & intensive care, Jordan University of Science and Technology, very good degree (07/2006)  
German board (FACHARZT) in Anesthesia & intensive care (November 2010)  
Fellowship in Pediatric Anesthesia in Mainz University hospital (May 2010)  
Accredited anesthesiologist with Operation Smile International (USA) 2012

## **Previous appointments**

1. February 2001 – February 2002 rotating house officer, University of Jordan Teaching hospital, Amman, Jordan.
2. March 2002 – June 2002 a General Physician at Emergency medical center in Irbid, Jordan

3. July 2002 – June 2006 Anesthesia resident in King Abdullah University Teaching Hospital, Irbid, Jordan.
4. November 2006- February 2007 as Anesthesia specialist in Al-Hussein hospital-Assalt, Jordan.
5. January 2008- November 2010 Pediatric Anesthesia Fellow and anesthetist in Mainz University Hospital (Johannes Gutenberg Universitet) in Mainz- Germany
6. January 2011-September 2013 assistant professor in Medical School in Jordan University of Science and Technology (JUST) Irbid, Jordan and Anesthesia consultant at King Abdullah University Hospital.
7. September 2013 till now assistant professor in the University of Jordan-Amman. Anesthesia consultant and pediatric anesthesiologist at Jordan University Hospital.
8. October 2018 till September 2019 anesthesia consultant in American Hospital Dubai (ADH) and UAE hospitals.

### **Courses:**

1. Kleemann-Kurs for fiber optic intubation Mainz 2009.
2. Adult life support (ALS) – provider course of the European Resuscitation Council Mainz 2010.
3. European Pediatric Immediate Live Support (EPILS) course Mainz 2009.
4. Ultrasound guided regional anesthesia Frankfurt 2010.
5. Difficult airway management course of Mainz University Hospital 2008 and 2010.
6. BLS, PALS last updated December 2016 (American Heart Association)
7. Workshop on pediatric airway management 2017, Boston USA

### **Researches**

### **Research Interests:**

- Pediatric anesthesia
- General anesthesia
- Fiber-optic airway management

**Published:**

**First author:**

1. A Co-Induction Technique Utilizing 4% Sevoflurane Followed by 0.75 mg/kg Propofol in Elderly Patients Undergoing Minimally Invasive Procedures: A Prospective Randomized Control Study  
Medicina 2020,56,682; doi:10.3390/medicina56120682
2. Acute Macroglossia Post Craniotomy in Sitting Position: A Case Report and Proposed Management Guideline  
International Medical Case Reports Journal 2020:13 391–397

**Co-author:**

1. The effects of caudal or intravenous dexmedetomidine on postoperative analgesia produced by caudal bupivacaine in children: A randomized controlled double-blinded study  
Journal of Clinical Anesthesia 33:386-394 · September 2016
2. Objective and subjective improvement in children with idiopathic detrusor overactivity after intravesical botulinum toxin injection: A preliminary report  
Journal of Pediatric Surgery 2018, 54(2019)595-599
3. Predictors of nausea and vomiting risk factors and its relation to anesthesia in a teaching hospital  
Trends in Medicine 2019, Volume 19(1): 1-5  
doi:10.15761/TiM.1000171 ISSN: 1594-2848
4. The Impact of Spinal Anesthesia and Use of Oxytocin on Fluid Absorption in Patients Undergoing Operative Hysteroscopy: Results from a Prospective Controlled Study  
International Journal of Women's Health 2020:12 359–367
5. Major perioperative critical incidents: Prospective review in 3 years' period at a university hospital  
Perioperative Care and Operating Room Management 21 (2020) 100105
6. Mathematical Modeling of Ion Quantum Tunneling Reveals Novel Properties of Voltage-Gated Channels and Quantum Aspects of Their Pathophysiology in Excitability-Related Disorders  
Pathophysiology 2021, 28, 116–154. <https://doi.org/10.3390>

**Ongoing:**

1. Decreasing the invasiveness of ultrasound guided caudal block: A randomized controlled trial comparing between 22-gauge and 27-gauge needles.
2. Awake Nasal Fiber-optic Intubation of severely Obese Patients in Lateral Position: A Prospective Randomized Controlled Trial
3. Anesthesia Outcome in COVID-19 Obstetric Parturients under Neuroaxial Anesthesia: A prospective Study
4. Quantum tunneling of protons and cardiac arrhythmias and arrest in the setting of acidosis.

**Memberships:**

- 1- Jordan Medical Association
- 2- Jordanian Society of Anesthetists
- 3- German Society of Anesthesiologist & ICU (DGAI)
- 4- European society for pediatric anesthesiology (ESPA)
- 5- Dubai Health Authority(DHA)

**Participations and Attendances:**

1. Anesthesia conference/Arab Health Congress Jan. 2018, Dubai UAE.
2. Principles of pediatric Anesthesia and critical care conference 2017, Harvard medical school, Boston USA.
3. The 7th ESPA European Congress on Pediatric Anesthesia 2016, Belgrade Serbia.
4. The 6th ESPA European Congress on Pediatric Anesthesia 2015, Istanbul Turkey.
5. The 4th Middle East Anesthesia, Pain Management & Critical Care Conference 2014, Dubai UAE.
6. The 8th National and 3rd International Congress of the Jordan Society of Anesthesia and Intensive Care and Pain Management 2011 Amman Jordan.
7. The 4th conference of Jordan Society of Anesthesia, Intensive care & pain management 2005 Amman Jordan.

## **Referees:**

1. Dr. Khaled Radaideh, Fachartz anesthesia, Associate professor and chairman of anesthesia department in king Abdullah University Hospital(KAUH)-Jordan University of Science and Technology(JUST), Irbid, Jordan.

Telephone no.: 00962796380779

E –mail: [elradk01@yahoo.com](mailto:elradk01@yahoo.com)

2. Professor C. Werner, Anesthesia Professor and Chef of Anesthesia department in Mainz University Hospital, Mainz, Germany

Langenbeck Str.1, 55131 Mainz, Germany

Tel: +49(0)6131" [Tel:+49\(0\)6131 17-7117](tel:+49(0)6131177117)

E-Mail: [info@anaesthesie.klinik.uni-mainz.de](mailto:info@anaesthesie.klinik.uni-mainz.de)

3. Professor Bashir Abdel-Rahman Attiyat Professor of anesthesia and pain management at the anesthesia department

The University of Jordan, Amman, Jordan 11942

Telephone no. 00962795533046
