

CURRICULUM VITAE

**Professor Fouad Kadim
Al Shammari**

CURRICULUM VITAE

Name Fouad Kadim Wahab
Professor in Restorative Dentistry
Senior Consultant in Restorative Dentistry

Address Faculty of Dentistry,
University of Jordan,
Amman,
JORDAN.
Telephone: 962-6-5355000 ext. 2990, 3228
Mob. 0792575818
Fax: 962-6-5339289
Email: fouadk@ju.edu.jo
Email: fouadkadim.alshammari@gmail.com

Date of birth 23 November 1955

Gender Male

Nationality Jordanian

Education -Al-Jamohurya Secondary School.
-The Dental School, University of Baghdad, Iraq
-The Dental School, School of Medicine, University of Wales, Cardiff, United Kingdom.
-The Dental School, University of Bristol, Bristol, United Kingdom.

Degrees and Diplomas -1973, High School Baccalaureate.
-1978, BDS Baghdad University.
-1987, Certificate for Clinical Training, University of Wales.
-1987, MScD. Conservative Dentistry, University of Wales, United Kingdom.
-1991, PhD Conservative Dentistry, University of Bristol, United Kingdom.

Current Post Professor, Conservative Dentistry Department, School of Dentistry, University of Jordan, Amman. Senior Consultant in Restorative Dentistry, Jordan University Hospital, Amman, Amman.

Membership of societies

- Iraqi Dental Association
- Arab Dental Federation
- British Dental Association
- British Society of Dental Research
- European Organization for Caries Research
- International Association of Dental Research
- Jordan Dental Association

Previous Appointments

1979-1985, Clinical and Laboratory Instructor in Conservative Dentistry Department, College of Dentistry, University of Baghdad, Iraq.

1979-1985, Part-time practitioner in Public Health Clinic, Ministry of Health, Baghdad, Iraq.

1981-1985, Head of Public Health Clinic, Ministry of Health, Baghdad, Iraq.

1985-1987, Research Fellow and Candidate of MScD, Conservative Dentistry, Cardiff Dental School, University of Wales, United Kingdom

1987-1990, Research Fellow and Candidate of PhD, Medical Research Council The Dental School, School of Medicine, University of Bristol, Bristol, United Kingdom.

1990-1991, Research Fellow, Medical Research Council The Dental School, School of Medicine, University of Bristol, Bristol, United Kingdom.

1991 Sept. -1992 Feb., Full time Lecturer in Restorative Dentistry, Conservative Dentistry and Prosthodontics Department, School of Dentistry, University of Jordan, Amman-Jordan.

1992-1999, Assistant Professor in Restorative Dentistry, Conservative Dentistry and Prosthodontics Department, School of Dentistry, University of Jordan, Amman-Jordan.

1994-1999, Head of Conservative Dentistry and Prosthodontics Department, School of Dentistry, University of Jordan, Amman-Jordan.

1999-2003, Associate Professor in Restorative Dentistry, and Head of Conservative Dentistry and Prosthodontics Department, School of Dentistry, University of Jordan, Amman, Jordan.

2003-2009, Professor in Restorative Dentistry, and Vice Dean of School of Dentistry, University of Jordan, Amman, Jordan.

2003 till August 2009, Acting Dean of the School several times during the absence of Dean.

20th August, 2009 till 22nd November, 2009 Acting Dean of the School of Dentistry.

2009- till now, Professor in Restorative Dentistry, Conservative Dentistry Department, School of Dentistry, University of Jordan, Amman.

**Additional
Administrative
Posts**

1994, Member, Committee of Medical Devices and Materials, the University of Jordan, Amman, Jordan.

1997, Chairman, Committee of Dental Materials Specifications, School of Dentistry, the University of Jordan, Amman Jordan.

1999, Examiner for the pre-registration examination held by the Ministry of Health.

1994-2001, Chairman, Committee of Dental Materials Specifications, School of Dentistry, the University of Jordan, Amman Jordan.

2000-2001, Elected member of the University Council, University of Jordan.

2003-2009, Member, Committee of the graduate studies, Faculty of graduate studies, the University of Jordan, Amman Jordan.

2003-2009, Chairman, Committee of the graduate studies, School of Dentistry, the University of Jordan, Amman Jordan.

2003-2010, Member, Committee of the graduate studies for

Medical Faculties, Faculty of graduate studies, the University of Jordan, Amman Jordan.

2014-till now, Member, Committee of the graduate studies. School of Dentistry, the University of Jordan, Amman Jordan.

2006-2009, Chairman, Committee of the joined MSc program of Fixed and removable prosthodontics for graduate studies, School of Dentistry, the University of Jordan, Amman Jordan

2006-2009, Academic advisor of the MSc students of the program of Fixed and removable prosthodontics at the School of Dentistry, the University of Jordan, Amman Jordan.

2013-2014, Academic advisor of the MSc students of the programme of Fixed and removable prosthodontics at the School of Dentistry, the University of Jordan, Amman Jordan.

2017- 2019, Academic advisor of the MSc students of the programme of Fixed and removable prosthodontics at the School of Dentistry, the University of Jordan, Amman Jordan

20013-2015, Member, Committee of the joined MSc program of Fixed and removable prosthodontics for graduate studies, School of Dentistry, the University of Jordan, Amman Jordan

1999-2001, Member, Committee of Scientific Research, Faculty of Scientific Research, the University of Jordan, Amman Jordan.

1999-2001, Member, Editorial Board of DERSAT Journal, Faculty of Scientific Research, the University of Jordan, Amman Jordan.

1993 to 2009, Member of the School Council, School of Dentistry, the University of Jordan

1999-2001, Chairman, Committee of Scientific Research and continuing education, Faculty of Scientific Research, the University of Jordan, Amman Jordan

1999-2001, Member, Committee of Scientific activities, School of Dentistry, the University of Jordan, Amman Jordan.

1994-2003, Member, Curriculum Committee of undergraduate studies, School of Dentistry, the University of Jordan, Amman, Jordan.

2003-2009, Chairman, Curriculum Committee of undergraduate studies, School of Dentistry, the University of Jordan, Amman, Jordan.

2014-2015, Chairman, Committee of Students Issues, School of Dentistry, the University of Jordan, Amman, Jordan.

2014-2015, Chairman, Committee of Students Issues, School of Dentistry, the University of Jordan, Amman, Jordan.

2004, Member, Committee of Prize of Ministry of Higher Education for the best Scientific Researcher.

2005, Member, Committee of Prize of Ministry of Higher Education for the best Scientific Researcher.

2003 -2012, Member, Committee of Conservative Dentistry, Jordan Medical Council, Amman, Jordan.

2008 -2010, Chairman, Committee of Conservative Dentistry, Jordan Medical Council, Amman, Jordan.

2010 -2013, Member, Disciplinary Board of the Faculty members at the University of Jordan.

2013 till now, Chairman, Commission on the issues of students in the School of Dentistry.

2014-till now, Member, Committee of the graduate studies, School of Dentistry, the University of Jordan, Amman Jordan.

2017- 2019, Chairman, Committee of Promotion of academic Staff in the School of Dentistry.

2019....., Member, Fitness to Practice Committee, Ministry of Health, Amman Jordan.

2019....., Member, Graduate Studies Committee for Students studying abroad, Jordan Medical Council, Amman, Jordan.

Courses and workshops

A workshop for academics holding administrative positions on the Time Management at the University of Jordan, Amman, Jordan.

10/2004, A national workshop for academics on the Multilateral trading system (WTA) and Doha development agenda.

4/2000, A one week course in Artglass Material at laboratories of Kulzer, West Germany

10/2004, One day course in Dental implants, Amman, Jordan.

5/2004, One day course in Aesthetic Dentistry, Amman, Jordan.

11/2009, Two day course in Dental implants, Amman, Jordan.

1/2016 The future of tooth whitening and minimal invasive aesthetic dentistry, British Dental Association Events, London, UK

7/2017 Aesthetics and Adhesive Dentistry in General Practice, British Dental Association Events, London, UK

7/2019 Full Mouth Rehabilitation, British Dental Association Events, London, UK

Experience

1. During my period at the Conservative Dentistry Department in Baghdad, my duties involved teaching students in pre-clinical and clinical courses which included Operative Dentistry, Crown and Bridge and Endodontics work. In addition, introduced treatment for referred patients to the hospital of the Dental school.

2. During my period in Conservative Dentistry Department, University of Wales, Cardiff, my duties have been:

A research on enamel caries and different system creating artificial caries. Clinical training in Conservative Dentistry Department involving the advance treatments in Operative Dentistry, Endodontics and Crown and Bridge.

3. During my period in Conservative Dentistry Department, University of Bristol, my duties have been:

a. Research on bacterial system creating enamel caries, chemistry of enamel lesion and factors involving the process

of caries formation, enamel solubility and its influencing factors like temperature and type of tooth.

b. Joining most courses of Crown and Bridge, Endodontics and Operative Dentistry held in the department.

4. During my period in Conservative Dentistry and Prosthodontics Department, at University of Jordan, my duties is teaching the undergraduate and postgraduate students in pre-clinical and clinical courses which involve Operative and Crown and Bridge work. In addition, introduced treatment for referred patients to the hospital of school as Consultant in Conservative Dentistry in University Hospital- University of Jordan - Amman.

5. From 1994-2003, administration of Conservative Dentistry and Prosthodontics Department, School of Dentistry.

6. From 2003 till December 2009, Vice Dean for academic affairs, administration, scientific research and postgraduate studies, School of Dentistry

7. From 2003 till August 2009, Acting Dean of the School several times during the absence of Dean.

8. From 20th August, 2009 till 22nd November, 2009 Acting Dean of the School of Dentistry.

9. From 2003-2009 academic adviser for graduate students of Master program in Fixed and Removable Prosthodontics at the School of Dentistry, University of Jordan

10. From 200-2009 academic adviser for graduate students of Master program in Fixed and Removable Prosthodontics at the School of Dentistry, University of Jordan

11. From 2014- till now academic adviser for graduate students of Master program in Fixed and Removable Prosthodontics at the School of Dentistry, University of Jordan
