

## Curriculum Vitae

### Personal Information:

Name	Eman Farouk Abdul Halim Badran
Birth date	April, 1964
Birth Place	Amman, Jordan
Nationality	Jordanian
Marital status	Married to Tareq Al Jaber . had 5 children. (Lina, Rana, Omar, Mira, Hala)
Address	Amman- Jordan. Postal address: P. O. Box 961915, Amman, 11196 Jordan
Email	<a href="mailto:e.badran@ju.edu.jo">e.badran@ju.edu.jo</a> <a href="mailto:emanfbadran@gmail.com">emanfbadran@gmail.com</a>
Telephone	++ 962 79 5 60 82 88
Fax	++ 962-6-535-3888
Web site	<a href="http://www2.ju.edu.jo/sites/Academic/e.badran/default.aspx">http://www2.ju.edu.jo/sites/Academic/e.badran/default.aspx</a>
Present post:	<b>Professor of pediatrics</b> , Chairman of the Neonatal Unit at Jordan University Hospital. University of Jordan, Faculty of Medicine, Pediatric department, Neonatal -perinatal division
Last Post	Chairman of Pediatric department , University of Jordan Sep2014- sep2016

### Education:

1995	Neonatology Training: Leeds General Infirmary, Leeds, UK
1993	Master Degree : General Pediatrics Jordan University Hospital & University of Jordan
1989	Internship: Jordan University Hospital, Amman, Jordan
1988	Bachelor of Medicine & Surgery. University of Jordan Faculty of Medicine, Amman, Jordan
1982	General secondary education certificate, Amman- Jordan

### Certification:

1995	Fellowship in Neonatology: United Leeds Teaching Hospitals, Leeds General infirmary
1995	MRCPCH: Member of Royal College of physician and child health in London
1993	Master's Degree: Master's degree in Pediatrics, University of Jordan
1988	Bachelor of Medicine & Surgery, Faculty of Medicine, University of Jordan

### PROFESIONAL EXPERIENCE

September 2013	Promotion to Professor of pediatrics at University of Jordan, Faculty of Medicine, Pediatric department
February 2008	Promotion to Associate Professor of pediatrics at University of Jordan, Faculty of Medicine, Pediatric

February 2008	department Director of the neonatal intensive care Unit: University Of Jordan, Jordan University Hospital, Amman, Jordan till now
March 2003	Appointed as Assistant Professor & Consultant in Paediatrics and Neonatology: Jordan University, Jordan University Hospital, Amman, Jordan
Dec. 2000 – Feb. 2003	Consultant Neonatologist. Neonatal Unit, Farah Hospital
Dec. 2000- Feb. 2003	Running a Private clinic
Dec. 1995 - June 2000	Assistant Professor and Consultant in Paediatrics and Neonatology, Jordan University, Jordan University hospital, Amman, Jordan
July 1993- Sep. 1995	Neonatology Training: Leeds General Infirmary, Leeds-United Kingdom
July 1989-June 1993	Pediatric Resident: Department of Pediatrics, Jordan University Hospital, Amman, Jordan
July 1988- June 1989	Intern: Jordan University Hospital, Amman, Jordan

## Educational experience

### Examiner

1996 till present	External examiner at the Faculty of Medicine, Jordan University of Science & Technology, 1996. -till now
2003-till present	Examiner at the Jordan Medical Council (Pediatrics Board)
2007 till present	Examiner at the Faculty of Medicine, Moatah University
2007 till present	Examiner at the Islamic hospital, for pediatric residents
2007 till present	Examiner at the Specialty Hospital, for pediatric residents
2013 till present	Examiner at the Arab Medical Council ( Arab Pediatrics Board)
2003 -2006	Program director for medical students in pediatrics
2005-2006	Member of introductory course teaching committee for 4 <sup>th</sup> year medical students

2006-2009	Director for running OSCE Exam in pediatric department 2006-2009
2008-2009	Running the perinatal meeting in neonatal and obstetric department
2012	Visiting associate professor in pediatrics at Tabouk University ( 3weeks)

### **Neonatal Resuscitation Program Trainer (NRP)**

2000 till present	Running a yearly Neonatal "Resuscitation Course to the pediatric resident, Nurses at University of Jordan ,
2005 -2010	Running Neonatal Resuscitation yearly till now For post graduate medical student in pediatric department at Private , military and ministry of health hospitals
2005	Participating in Running a Neonatal "Resuscitation Course to the society of obstetric and gynecology Sponsored By Al-Jothoor Organization.
Nov. 2012 present	Participant in running neonatal resuscitation program to the doctors in ministry of health, University of Jordan, UNHCR

### **Child Abuse**

August 2015	Organizing child abuse course in Collaboration with Wayne State university and University of Jordan, Pediatric Department and Ministry of Health
September 2016	Organizing international child abuse conference University of Jordan

### **EDUCATIONAL COURSES**

2004	Problem based learning, Holland, Maastricht ( 2 week course)
2004	How to write curriculum for student, Jordan University 2004. (Two weeks )
2004	OSCE course conducted by University of Science & Technology (one week)
2005	How to design OSCE Exam : course conducted by Kings college and held By Jordan University (one week)
2005	Train of Trainer Course, Held by Royal College of Pediatrics and Child Health. Amman ( one week).
2006	Attending OSCE and Communication skills course for medical students. St Bartolomews Hospital in London (one week)
2007	Epidemiology and Biostatistics workshop. Research Unit at King Hussein Cancer Center (one week)
2007	OSCE course conducted by University of Toronto, held at University of Jordan (one week)
2011	Attending Train of Trainers (TOT) work shop Organized At Tallal Abu Gazaleh &Co. Consulting & health Strengthening Project(HSSII) (one week)
2011	SPSS advanced course (one week)
2012	Policy communication workshop UNFPA, Cairo, Egypt (10 days)
2018	Leader Ship course by Health Care Accreditation Counsel
2018	Breast feeding lactation consultant training course member and trainer
2019	Sustaining the sustainable health agenda, exploring critical multilayered sustainable business practice in the MENA region

2019 Social innovation approach

## SPECIAL EXPERIENCE

### Proposal writing

- |             |  |
|-------------|--|
| 2005        | Recognized Tempus program Trainer  |
| 2009 - 2010 | Attending 12 workshops on how to write proposal and identification of different European and American funding agencies. Higher council for science and technology                                  |
| 2010        | Attending work shop entitled how to identify and win projects from the seventh frame work program (FP7) at higher council for science and technology At Higher Council for Science and Technology. |
| 2010        | Participating in giving 2 workshops on how to write proposal and get funds from funding agencies. The Center for Educational Development for Health Personnel                                      |
| 2018        | Non winning Erasmus project  |

## Consultation Experience

1996-1997	Consultant for the assessment of Regional Neonatal Mortality in region/ UNICEF
2010 -present	Neonatal Mortality Jordan task Force /role is committee member n. UNICEF/ higher population council
2011	Safe Mother and neonatology Services in Jordan / role is committee member
2011	Ethical committee at Higher population council / role is steering committee member
2009-2011	Participating in writing and editing new educational books for the new project entitled <i>Educational development project towards the knowledge economy - for Ministry of Education</i> In Hashemite Kingdom Of Jordan entitled Knowledge Economy
2012	Improving perinatal health services in Jordan, Strategic planning for year 2013 in collaboration with ministry of health, Royal medical services USAID./ role is steering committee member
2016 -present	Establishing national neonatal Guidelines in collaboration with Ministry of health , Private sectors , Universities and UNICEF /role <b>Team leader</b>
2016	Core Neonatal care curriculum development for management of neonatal Syrian refugees ./ Funder by UNHCR Educational courses on care and management of sick Syrian refugees newborn for health care providers in Zatari and Azraq camp
2017	Accreditation for the Arab medical council for neonatal fellowship program in Al-Maqased Hospital/at Al-Quds city/Role team leader of accreditation committee

## New Establishment

2011	Establishing of Medical Students research Club. Started through Educational workshops for selected enthusiastic medical students to engorge the medical students to participate in clinical and basic research in collaboration with medical students research club at University of Jordan, Faculty of medicine. This project was sustainable till now and disseminated to all health schools at different universities in Jordan with great impact in increasing the number of publications by the students
2013	Establishing perinatal center for pregnant women and newborn in collaboration with USAID supported by university of Jordan and Jordan university hospital./Role Team Leader supported by the president of University of Jordan and hospital directors
2014	Establishment of quality improvement Pharmaceutical care of newborn at Neonatal Unit at Jordan University Hospital In collaboration with department of Clinical Pharmacy which resulted in disappearance of CLAPS for the last 4 years (2015- 2019)
2015	Establishment Breast feeding Association group /role Team leader
2015	Establishment of quality improvement project of computerized medication prescription / role Team leader
2018-present	Director of Baby friendly Hospital at Jordan Project for designation At University Hospital// role Team leader
2018	Establishment Neonatal fellow ship program accredited by Arab Medical Council /role :Team Leader
2019	Establishment of lactating rooms for working Mothers/ role Team leader
2019	Establishment /Renovation of Breast feeding rooms at NICU/ role Team leader
2019	Establishment of breast-feeding curriculum for pediatric and obstetric

physician with competency and skill assessment/ role Team leader

- 2019 Establishment of computerized Monitoring tools for baby friendly hospitals/  
role Team leader/ role Team leader
- 2019 Developing Brushers, Booklets, videos, flyers / role Team leader

### Committees at the level of faculty and Jordan University Hospital

- 2003 TO PRESENT Participating in different committees at faculty of medicine and Jordan university hospital (faculty council, scientific committee for conferences at faculty of medicine, curriculum Development committee, research committee, quality committee, health record filing committee, blood bank committee, and library committee. Etc, )
- 2018 TO PRESENT Director of Baby friendly Hospital committee
- 2019 Evaluation of medical student research ?role Director of committee member

### Funds

Year	Agency	Proposal entitled	Fund
2007	University of Jordan (UJ)	Etiology and clinical profile of neonatal seizures in highly consanguineous Population role PI.	5000 JOD
2008	UJ	Etiologies, outcomes, and risk factors for epilepsy in infants: A case-control study. Role : Non-PI.	5000 JOD
2009	UJ	Prevalence of infant passive smoking during the first year of life in Jordan. role PI.	3000 JOD

2009	UJ	Lead levels in children with developmental. Role : Non-PI.	3000 JOD
2010	USAID	Improving perinatal and pregnant women health in Jordan targeting the Millennium Development Goals(MDG) number 4 and 5 Role: Team leader supported by Hospital director and President of the university of Jordan	(13 million \$)
2012	UJ	Effects of perinatal risk factors on common neonatal respiratory morbidities beyond 36 weeks of gestation	5000 JOD
2017	SRF	Establishing pharmaceutical drug preparation in neonatal unit in Jordan: Role Non PI	60000 JOD
2018	UJ	ATTESTED Project for establishment of Automated computerized drudge prescription Role (PI)	8000 JOD
2019	UJ	<i>Retinopathy of Prematurity (current projrct)</i> Role PI)	12000 JOD

## MEMBERSHIP

- 1996 - present Jordan Medical Council
- 1995 - present British General Medical Council
- 1995 - present Royal college of physician and child health in London
- 2005 -2007 Member of Jordanian liaison committee with the Royal college of physician and child health
- 1996 - present Jordan Pediatric Association
- 2004 - present Pan Arab Neonatal society
- 2007 - present Jordan Neonatal society
- 2002 - present Member of Scientific committee of the Jordanian Pediatric Society
- 2014 - present Member of Jordanian board committee of Pediatrics at the Jordan Medical Council
- .2014 -2016 Member of the Faculty Council at Faculty of Medicine, University of Jordan

2015 -2018 Member of Board of Trustees at Al- Balqa' Applied University

2018 - present Member of Steering committee and technical committee for Health Care Accreditation Council (HCAC)

### Medical conferences and workshop as Speaker

- 2004 Recent advances in Pediatrics conference, Royal College of Pediatrics and Child Health
- 1995 Participation in several local meeting in Jordan at the level of Jordan Neonatal club meetings, local Pediatric conference till now
- 2009 **Current state of Antifungal Treatment in Neonatal Systemic Candidiasis. SEVENTH ARAB CONFERENCE FOR ANTIMICROBIAL AGENTS. BEIRUT, LEBANON**
- 2011 Neonatal service in Jordan. International Workshop on Organization of Neonatal Services in the South-Eastern European and Middle Eastern Countries., in Marmaris, TURKEY.
- 2012 The Second International Neonatology Conference, **NEW INNOVATIONS IN NEONATAL MEDICINE** , Abu Dhabi . UAE  
<http://www.arapuaarapua.org/g6.htm>
- 2012 PERINATAL ASPHYXIA - PHYSIOLOGY AND RECENT TRENDS IN MANAGEMENT Fifth Congress of pediatric department
- 2012 Improving neonatal ventilation work shop in Jordan (speaker) USAID / HSS/ April 2012.
- 2012 **3rd International Congress of union of European Neonatal and Perinatal Societies ( UENPS)which will be held in the beautiful city of Porto, Portugal website:**  
<http://www.uenps2012.org/uenps/>
- 2013 **13<sup>th</sup> International Pan Arab League of dermatology Conference (speaker)**  
<http://www.pald.org.jo/scientific-programme/a-tentative-scientific-program.html>
- 2013 **The15<sup>th</sup> International Conference of Jordan Pediatric Society (speaker**
- 2015 **The 20<sup>th</sup> Congress of Union of Arab Pediatric Societies & The15<sup>th</sup> International Conference of Jordan Pediatric Society (speaker )**  
<https://www.sajilni.com/event/the-20th-congress-of-union-of-arab-pediatric-societies--the-15th-international-conference-of-jordan-pediatric-society>
- 2015 **Second international Kurdistan pediatric society conference**
- 2016 The 16 International Conference of Jordan Pediatric Society & International Pediatric Association & Union of Arab Pediatric Societies ( speaker)  
<http://www.umemps.org/sites/default/files/First%20Announcement%20IPA%202016.pdf>
- 2017 Update in Fetal intrauterine transfusion therapy: neonatal outcomes. rd Abu Dhabi International Neonatal Multispecialty Conference. Abu Dhabi. UAE. November 2017 (speker)
- 2017 [Exclusive breastfeeding success among women](#) In Jordan. Amman Jordan . 8th

- Scientific Research Conference opened at the University of Jordan 12 November 2017 (speaker)
- 2017 Can Clinical support can make the difference in exclusive breastfeeding” success among women in Jordan July 2018. 7th International Conference for Pediatrics (speaker)
- 2018 The needed steps for implementation of Baby friendly Hospital /Lebanon/UNICEF (Speaker)
- 2018 PUMBY ROAD FOR BFH “(SPEAKER/**Lebanon/UNICEF (Speaker)**)

### **Medical conferences and workshops as participants**

- 1999 Advanced Neonatology Perinatology Course, St Antonio. USA (one week)
- 2005 New modes of ventilation, Dead Sea
- 2005 Neonatology updates Course, Imperial College, London.
- 2007 Pediatric Academic societies' Annual Meeting. Toronto, Canada
- 2008 12<sup>th</sup> scientific meeting of emirates neonatal society. Dubi, United Arab Emirates
- 2008 Annual Neonatal conference. Middlesbrough, United kingdom.
- 2009 Neonatal up date November, UK, Imperial College, Hammersmith Hospital
- 2010 Attending first Neonatal/Infant Ventilation Egypt at the Ain Shams University Hospital in Cairo
- 2011 The First Pediatric & Neonatal International Conference, Sharjah, UAE
- 2012 3<sup>rd</sup> International Congress of UENPS (Union of European Neonatal and Perinatal Societies
- 2013 Neonatal ventilation workshop Amman by SLE company
- 2015 1st joint European Neonatal Societies Congress (jENS)  
[https://www.eiseverywhere.com/file\\_uploads/f78808740098d343eaa4a0e71b18fd52\\_ENS2015SPONSORMANUAL.pdf](https://www.eiseverywhere.com/file_uploads/f78808740098d343eaa4a0e71b18fd52_ENS2015SPONSORMANUAL.pdf)
- 2016 The Neonatal Update, organized by the Imperial College London
- 2017 7th International Neonatology Conference/*Abu Dhabi*

### **Curriculum development**

**Core pediatric development in 2007 / role team leader in writing the curriculum**

**Core pediatric revision in 2015 / Role team leader in writing the curriculum**

### Educational Activates

Through didactic and none didactic session to medical students, Pediatric Residants, obstetric residants

Community service	
1	Voluntary Participation in open days for doing pediatric exam in communities
2	Giving lecture on breast feeding to different organizations to increase awareness on the importance of breast feeding
3	Guest speaker in several radio and TV program talking about the following subjects: breast feeding, effect of maternal nutrition on future health of her children, Jaundice in newborn, Baby friendly Hospitals, Preterm baby in 2010 ,2011 and 2012,205,208,
4	Participation of organization of several medical conferences for Jordan pediatric societies
5	Trainer for health care worker in Azraq and Zatarii refugee camp on neonatal health care June - December 2016
6	Establishment of Jordanian Breast-feeding association 2016
7	Member of Friends Down syndrome committee support group 20
8	Participation in World day of down syndrome in 2017 at Nazek HAreeri center giving work shop on How Parents deal with stress if they have a baby with Down syndrome
9	Participation in World day of down syndrome in 2018 at Nazek HAreeri center giving work shop on Obesity and How to deal with the sexual needs of patients with Down syndrome
10	Participation in World day of down syndrome in 2019 with with the school of dentistry /UJ giving work shop that what dentist need to know about down syndrome

Doctoral Dissertation Committee Member		
Student name		Dissertation Topics
Hala Obeidat	School of nursing/ 2012	Facilitated Tucking As Non-Pharmacological Nursing Intervention for Relieving Stressful Responses among Jordanian Preterm infants

Umia nassar	School of nursing/ 2016	The Effectiveness of Age-Appropriate Pre-Operative Information Session on Anxiety Level among Jordanian School Age Children (6-12) Year Old Undergoing Elective Surgery
SamahBatianeh	School of Agriculture January 2019	Developing and validating a food frequency questionnaire for school Jordanian children and adolescents aged 6 to 18 years, and assessing the dietary and lifestyle risk factors, and measuring selected biochemical and inflammatory variables associated with weight status in childhood and pre-adolescence Jordanians aged 6-12 years.
